

## INSTRUCTION MANUAL FOR ANVIL SET (208-001)

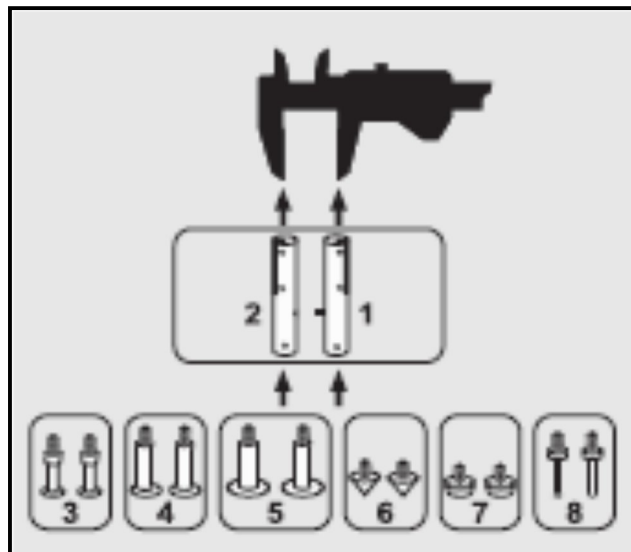

### ➤ Specification

This anvil set enlarges the possibilities of a regular caliper. All are holders slid on the measuring jaw of the caliper. The anvil set makes it possible to execute measurements, which are not possible with a regular caliper, such as measuring internal grooves and center distance.

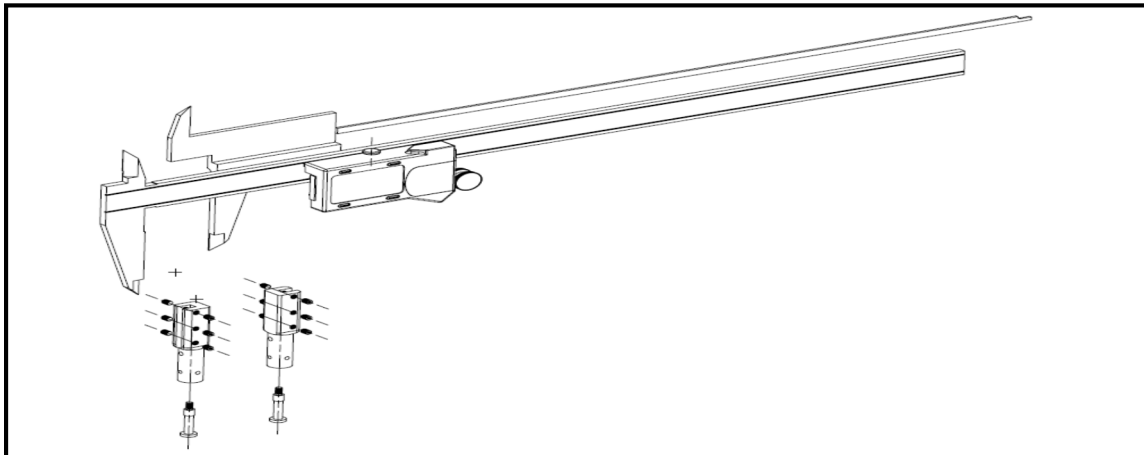

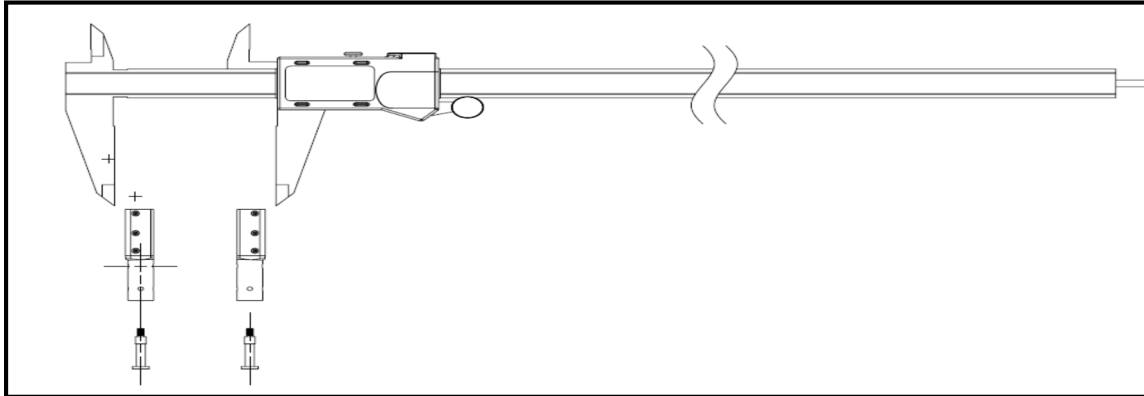

Code
208-001

### ➤ Features

## INSTRUCTION MANUAL FOR ANVIL SET (208-001)
